Re: *Molecular Dynamics Ltd. et al. v. Spectrum Dynamics Medical Limited et al.*,
     No. 1:22-cv-5167 (KPF)

Dear Judge Failla:

I write on behalf of Petitioners Molecular Dynamics Ltd., SDBM Limited, and Chauncey Capital Corp. ("Petitioners") to respectfully request that the Court issue an order permitting the filing under seal of the unredacted version of the final arbitration award (the "Final Award") issued in the arbitration captioned *Spectrum Dynamics Medical Limited v. Molecular Dynamics et al.*, Swiss Arbitration Centre No. 300438-2018, to be filed as Exhibit A to Petitioners' Amended Petition to Vacate Arbitration Award.

Subject to the Court's approval, as with the documents filed under seal as exhibits to the Declaration of Scott M. Danner, ECF No. 14, the parties will meet and confer on appropriate redactions, if any, to be applied to the Final Award in advance of a renewed motion to file the Final Award with such redactions on the public docket. Respondents have confirmed that they consent to temporary sealing.

Respectfully submitted,

/s/ *Scott M. Danner*
